Application of Standard Terms

Only the standard terms of sale stated in this catalog apply to any transaction unless those terms are modified or supplemented by a written document signed by an officer of Geiger International, Inc. ("Geiger"). Any terms contained in Customer's purchase order, including standard printed provisions, that are additional to or contrary to these terms, are not effective.

Use of Furniture and Materials

Geiger assumes that textiles, leathers and products are intended for commercial use and are not being bought for use primarily for personal, family, or household purposes. When installed and used as intended, products remain chattel property, are not considered fixtures, and no interest in them should arise under applicable real estate law.

Furniture Prices

Prices are determined by using the published list prices in effect when Geiger receives Customer's completed purchase order. If Customer's requested ship date is more than three months after Geiger receives Customer's order, it may be repriced using the list prices in effect when products ship. If Customer designates special finishes or options, additional charges may apply. Services such as design, project management, packaging, storage, inside delivery, double handling, installation, or inventory management are not included in Geiger's list prices.

COM / COL Procedures

If an order includes Customer-supplied materials, Customer must ship those materials to Geiger at Customer's own expense. The materials must be tagged with Geiger's confirmation number, item number, Customer's name, and purchase order number. Geiger is not liable for inadequacies in Customer's materials. Geiger will notify Customer of any apparent defects in Customer's materials before manufacturing.

Taxes

Customer is responsible for any local sales taxes or other similar taxes imposed on transactions.

Delays

Geiger is not liable for failure to ship by the acknowledged shipping date or any other date. Geiger is not liable for a delay or failure in shipment or performance if the delay or failure is caused by acts of omission of Customer, its agents, employees, contractors, a governmental authority, or God; delays in transportation; or other similar causes that are not within Geiger's reasonable control. Geiger is excused from further performance of its obligations for the duration of a force majeure cause.

Changes and Cancellation

Geiger's acceptance of an order is final and binding and an order may not be changed or canceled without Geiger's written consent.

Orders placed on any of Geiger's expedited shipment programs and orders of custom-dyed or custom-woven materials may not be changed or canceled. To change or cancel other orders, contact Geiger Customer Care in writing for authorization and applicable charges.

Storage

If Customer cannot accept delivery when products are ready, it is the customer's responsibility to transfer products to storage and products are invoiced at that time. Customer is responsible for actual storage charges and any other expenses relating to the storage of products or materials. Customer bears all risk of loss for products or materials in storage.

Freight Terms

For casegoods and seating orders shipped within the 48 contiguous United States, surface freight charges are included. For textile and leather orders actual freight charges will be invoiced. Orders are shipped via ground carrier unless requested otherwise.

For orders shipped to Alaska or Hawaii, the freight terms stated above apply only to the port of embarkation. Shipments beyond that point are freight collect. Domestic deliveries are shipped FOB Geiger's plant to a destination designated by Customer by a method Geiger selects.

All textile shipments will be made FOB Geiger Textiles, Yaphank, NY 11980. All leather shipments will be made FOB Geiger Textiles, Hildebrand, NC 28637.

Packaging and Shipping

Geiger's casegoods products are shipped in component form. Shipments over $50,000 net are blanket wrapped. Tops and panels are shrink wrapped with cardboard corner protection. Pedestals, storage units, overheads and vertical storage units are wrapped in blankets and shrink wrapped with cardboard corner protection. Blankets are to be returned to Geiger for reuse. If the customer request cartoning on orders over $50,000 net, there will be a charge of five percent of the net order. Packing materials are recyclable.

Shipments from Geiger Atlanta under $50,000 net are cartoned. Cartoned shipments are packaged with cardboard channels and shrink wrap.

Geiger's seating is cartoned in boxes for all shipments. Blanket wrapping is available upon request.

If Customer requests special shipping or delivery methods, Customer is responsible for any extra costs that result.

Packaging and Shipping (continued)

Customer obtains title to products and materials and assumes the risk of loss for them upon shipment from Geiger's plant. Geiger reserves the right to make partial shipments, of truckload quantities, as products are manufactured.

Shipping Surcharge

A shipping surcharge will be added to all orders under $100,000 list based on the ship-to address. The surcharge is a percentage of the total list price of the entire order, calculated on the base price only. Upcharges for veneer, edges, textiles, pulls, etc., are not counted in the calculation.

Zone 1   3.6% (GA, NC, SC)
Zone 2   4.2% (AL, FL, MS, TN, AR, LA)
Zone 3   4.8% (IL, IN, KY, MI, OH, WI, IA, KS, MN, MO, ND, NE, SD, DC, MD, VA)
Zone 4   5.4% (CT, MA, ME, NH, RI, VT, DE, NJ, NY, PA, WV)
Zone 5   6.0% (OK, TX, AZ, NM, NV, UT, CO)
Zone 6   6.6% (OR, WA, ID, MT WY, CA, Canada)

International Shipping

Orders for export are shipped Ex Works factory (Incoterms 2000). The charge for export packing is five percent of the net order value. There are no export packing charges on shipments to Canada.

Claims

All blanket wrapped shipments must be unwrapped and inspected at the dock, in the presence of the driver. Claims for "concealed damage" or "subject to inspection" will not be honored on blanket wrapped shipments. All cartoned shipments must be inspected for visual outside damage to the package.

Damages and piece count shortages must be noted on the bill of lading. Freight claims must be filed within 30 days (including cartoned shipments with concealed damage). Contact Customer Care for a warranty/freight claim form and send it by fax, mail or email to:

Warranty

Geiger International, Inc. ("Geiger"), 6095 Fulton Industrial Blvd., SW, Atlanta, GA 30336-2806, USA, warrants the products sold by it to be free from defects in material and workmanship, regardless of the number of shifts during which the products are used, for the warranty periods specified below.

This warranty covers the sale of Geiger product in all countries. Not all of the product lines appearing on this list are marketed by Geiger in all countries, and appearance on this list does not imply an offer for sale of a product line in a particular place. Product line availability is defined in current price lists applicable to different regions.

Geiger Commercial Office Furniture Products
12 years
All products sold under the Geiger® brand name, except as limited or described below.

Textiles and Leathers
3 years
Includes, but is not limited to Edelman Leather, Geiger, Herman Miller, Maharam, and Place fabrics.

2 years
Height adjustable bases (electrical parts)

5 years
Height adjustable bases (mechanical parts)
Task light electronic ballasts

3 years
All service parts

6 months
All other products, parts, and any services not listed above, sold or furnished by Geiger, except for consumable products such as light bulbs and other electronic products for which no warranty is given

Other Manufacturers' Products
None
Geiger will pass through to the original purchaser any warranty supplied by other manufacturers to the extent possible, including, but not limited

Warranty (continued)

to, open-line laminates.

Provisions that apply to all products and services:

During the applicable warranty period, Geiger, as its sole obligation, will repair or replace (at its option) any product, part, or component covered by this warranty and sold after the effective date of this warranty, which fails under normal use as a result of a defect in material or workmanship; Geiger will repair or replace the aforementioned product, part, or component with a comparable product, part, or component.

This warranty extends only to the original purchasers who acquire new product from Geiger, or its authorized resellers. Any product, part, or component must have been installed, used, and maintained according to Geiger's published instructions in order to be eligible for coverage under this warranty and must not have been subject to misuse or abuse. Any modification to the original product voids the warranty. Geiger does not warrant the performance of the product when used in combination with other than original Geiger product.

The warranty period starts from the date of purchase.

This document inclusively describes all of the warranties given and remedies available with respect to the company's products and services. Geiger disclaims any other warranty whether express or implied, statutory or otherwise, in relation to the products.

Geiger does not warrant:
• natural variations in wood grain or figure or the presence of character marks
• changes in surface finishes due to aging or exposure to light
• marks, scars, or wrinkles occurring naturally in leather
• veins, marks, voids, fissures, or cracks found naturally in stone

In addition, Geiger does not warrant:
• failure resulting from normal wear and tear
• the matching of colors, grains, or textures of natural materials
• the colorfastness or the matching of colors of textiles, including an exact match to cuttings or to swatch cards
• damage, marking, or staining of veneer surfaces due to contact with rubber or similar compounds; damage from sharp objects or imprinting from writing instruments, or prolonged exposure to direct sunlight

Geiger tests Customer's Own Material (COM) and other customer-supplied items for manufacturing quality only and does not provide any warranty with regard to these materials.

Geiger does not warrant products that are

Warranty (continued)

exposed to extreme environmental conditions or that have been subject to improper storage.

Geiger's products meet the requirements of national and specific local codes as stated in the price books and other written publications.

TO THE EXTENT ALLOWED BY LAW, ANY IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED AND TO THE EXTENT THEY ARE LEGALLY REQUIRED, ARE LIMITED IN DURATION TO THE DURATION OF THIS WRITTEN WARRANTY.

GEIGER SHALL NOT BE LIABLE FOR LOSS OF TIME, INCONVENIENCE, COMMERCIAL LOSS, OR INCIDENTAL OR CONSEQUENTIAL DAMAGES.

Applies in US only: Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions in the two preceding paragraphs may not apply. This warranty gives the purchaser specific legal rights; however, the purchaser may also have other rights that may vary from state to state.

Applies outside US: Except as stated above, Geiger will not be liable for any loss or damage (including costs) however caused, whether direct or consequential, incurred or suffered by the purchaser or any third party in respect of the products but nothing contained herein will or will be considered to exclude or restrict any liability on Geiger's part for death or personal injury resulting from negligence.

Limitations and Disclaimers

Geiger is not liable for loss of time, inconvenience, lost profits, commercial loss, or other special, consequential, or incidental damages for any transaction.

Geiger reserves the right to change its designs, its methods of construction, or its prices, charges, or policies at any time without notice to Customer.

Design Rights

The designs depicted in Geiger's catalogs and price lists are proprietary to Geiger and Geiger reserves the exclusive right to manufacture them. Any reproduction of these designs infringes Geiger's rights and that infringement will be prosecuted.

- For each product ordered, specify a product number string. The string should include the product number and all finish and detail codes listed at the bottom of the pricebook page.

- Specify the finishes and details in the same sequence shown on the pricebook page.

- Product Number String Example:
  APT136 943

  The product number string above includes all required codes for a Drum series table with the following specifications:

  Product Number APT1-36
  Wood Finish.............. 943 Caramel Cherry

- Basic Price reflects the price of the table without optional features. Add upcharges as shown on the product page or option page for anigre wood finishes, solid edge detail, etched glass, leg trim or marquetry. There is no upcharge for anigre base or leg finishes.

Conference Tables
Edge Details

Edge Details

Basic Edge Detail	Solid Edge Details	Notes

Basic Edge Detail
For Drum table tops
(no upcharge)

T50 ....Tablet Square

Notes

T50 Square edge is 1-1/2" thick with 3/16" deep solid banding with no edge overhang. Banding is two layers, each is 2mm thick for a total of 3/16".

T50 Square edge is not available with inlay or marquetry.

Solid Edge Details
For Drum table tops
(add upcharge shown on the product page)

		Overhang	Solid Depth
T51	Cove	1/4"	3/4"
T52	Indent	0"	3/4"
T53	Step	0"	3/4"
T54	Bead	0"	3/4"
E01	Square	1/4"	1"
E02	Quarter Radius	1/4"	1"
E03	Bullnose	3/4"	1"
E04	Chamfer	1/4"	1"
E06	Waterfall	1/4"	1-1/2"
E07	Ellipse	3/4"	1"
E10	Stepped Bullnose	3/4"	1"
E11	Classical	1/4"	1"
E12	Knife	2"	2"
E14	Quarter Round	3/4"	1"
E15	Stepped Waterfall	1/4"	1-1/2"
E16	Oval	1/4"	1-1/2"
E17	Stepped Radius	1/4"	1"
E20	Stepped Knife	3/4"	1"

Notes

All solid edge details are 1 1/2" thick.

Natural wood finishes are unstained to maintain the natural beauty and clarity of the wood. When the veneer and solid wood species are not the same the veneer and solid may differ in color and graining. When a stained wood finish is specified, the solid wood edges are stained to match the veneer top as closely as possible.

Square Marquetry
For Drum tables
(add S Marquetry upcharge shown on the product page)

S312 ....Black
S11 ....Champagne Maple
S21 ....Champagne Beech
S42 ....Sundance Cherry
S81 ....Champagne Hickory
SUL.........Natural Maple *(HMI)*

No Marquetry

NOIM ......No Marquetry Required

Notes

Marquetry is available only with solid edge detail.

Black wood marquetry is available on stained and natural wood finish tops. Natural finish marquetry is available on natural wood finish tops only.

Square and Triangle Marquetry includes simple line marquetry and inlaid wood medallions. Medallion locations vary according to the table size, shape and corner detail. Examples show a mitered corner detail, available on square and rectangular tables.

Marquetry sheen will match top sheen.

Wood marquetry is 3/16" wide.

Module Types

	Notes
For Peer tabletop power module, 120" cord with 3-prong plug, qty (2) *(no upcharge)*	All power modules are clear anodized aluminum.
PTPLG......*2 power/2 data* PSPLG......*2 power/1 data/1 USB*	Tabletop power modules include two simplex outlets and either two voice/data openings or one voice/data opening and one dual charging USB port.
For Peer tabletop power module, qty (1) 120" cord with 3-prong plug, and qty (1) 168" cord with 3-prong plug *(add +$42 upcharge)*	All tabletop power modules include a voice/ data adapter kit which includes a set of 14 small windows that snap into the voice/data opening and accept different types of jacks, connectors, and couplers.
PTPLL.......*2 power/2 data* PSPLL ......*2 power/1 data/1 USB*	
For Peer tabletop power module, hardwire, qty (2) 72" whip *(add +$63 upcharge)*	Under-table power modules include three simplex outlets, two voice/data openings, and a voice/data adapter kit.
PTHDW ....*2 power/2 data* PSHDW ....*2 power/1 data/1 USB*	Connectors and jacks are the responsibility of the customer's phone, AV, or IT contractor. Provision of the building power and hardwire connections are the responsibility of the customer's electrician.
For Peer tabletop power module, hardwire, qty (1) 72" whip and qty (1) 168" whip *(add +$104 upcharge)*	
PTHDL......*2 power/2 data* PSHDL......*2 power/1 data/1 USB*	The Chicago tabletop and under-table power modules include 15" of conduit and a 4" x 4" junction box.
For Peer tabletop power module, Chicago hardwire, qty (2) 15" whip *(add +$312 upcharge)*	
PTCHI.......*2 power/2 data* PSCHI.......*2 power/1 data/1 USB*	

For Peer under-table power module

PUPLG .....*3-Prong Plug, qty (1) 120" cord, (no upcharge)*
PUPLL ......*3-Prong Plug, qty (1) 168" cord (+$42 upcharge)*
PUHDW ....*Hardwire, qty (1) 72" whip (+$63 upcharge)*
PUHDX .....*Hardwire, qty (1) 120" whip (+$104 upcharge)*
PUHDL .....*Hardwire, qty (1) 168" whip (+$146 upcharge)*
PUCHI ......*Chicago Hardwire, qty (1) 15" whip (+$63 upcharge)*

How to Specify Power Modules

Specify **under-table** power module type based on location of building power (under one leg or two legs) and power module installation location (left, center or right).

Specify **tabletop** power module type based on location of building power and table size.

For tabletop power modules and building power under one leg
72W x 30H .... PTPLG, PTHDL, PSPLG, PSHDL, or PTCHI
72W x 41.5H .... PTPLG, PTHDL, PSPLG, PSHDL, or PTCHI

96W x 30H .... PTPLG, PTHDL, PSPLG, PSHDL, or PTCHI
96W x 41.5H .... PTPLL, PTHDL, PSPLL, PSHDL, or PTCHI

120W x 30H .... PTPLL, PTHDL, PSPLL, PSHDL, or PTCHI
120W x 41.5H .... PTPLL, PTHDL, PSPLL, PSHDL, or PTCHI

For tabletop power modules and building power under two legs
All Table Sizes............... PTPLG, PTHDW, PSPLG, PSHDW, or PTCHI

Notes

Most natural wood finishes are unstained to maintain the natural beauty and clarity of the wood. When the veneer and solid wood species are not the same the veneer and solid may differ in color and graining. When a stained wood finish is specified, the solid wood edges are stained to match the veneer top as closely as possible.

Special finish colors may be developed for orders over $200,000 list upon request at no additional charge. A one time set-up fee of $250 net will be charged on orders under $200,000 list for each special finish. In order to protect the quality and durability of Geiger's finish, the chemical composition of the staining materials, water-base sealers, and urethane top coats will not be altered for special finishes.

Exotic veneers such as pearwood, bird's eye maple and sycamore are available upon request, at additional cost.

For further information and procedures for special finishes or exotic veneers, contact your Geiger sales representative.
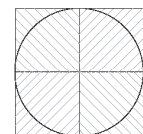

Custom Veneer Layup

Custom veneer layup is available on selected tables with one-piece tops. Contact your Geiger sales representative for availability, ordering information and upcharges.
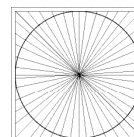

Sunburst layup is not available in maple, bird's-eye maple or sycamore.

Conference Tables
Seating Capacity

Seating Capacity

Seating capacity shown is applicable for Drum tables only. Capacity is approximate, based on 25" wide chair, and may vary according to table base design and actual chair dimensions.

Tables with outside leg placement accommodate fewer chairs.

Two optional **tabletop power modules** at either end of the table provide readily accessible power, voice and data connections. The tabletop power module is retractable to sit nearly flush with the table top when not in use.

Use Peer's 2 1/2" high **storage shelf** for personal items, leaving the primary surface clear for the task at hand.

All Peer tables ship ready to accept an **under-table power module** in any of three locations (left, right or center). Specify modules separately. No tools are required for installation.

Cables pass through any of three **grommets** in the shelf to the under-table power modules, keeping cords from underfoot and the table surface clear.

Cables are carried along the trough on the underside of the table top and fed down **concealed cableways** within the end panels. (PTPLL power module shown)

Note: Peer desktop and under table power modules are approved for use in the United States. For international use, tables (AI3E_) can be specified that include two appropriate sized cutouts at either end of the table to accept two Pivot 25 power modules from Office Electrics. These power modules are not supplied by Geiger, but can be purchased from Office Electrics.
Please go to http://www.office-electrics.com/en/pivot.html for details.

Tabletop module can be specified with a 10' or 14' cord with plug, a hardwired version with a 6' or 14' flexible conduit, or a hardwired version for Chicago. It is available in two different power/voice/data configurations.	**Under-table module** can be specified with a 10' or 14' cord with plug, a hardwired version with a 6' or 14' flexible conduit, or a hard-wired version for Chicago. It comes standard with three simplex receptacles and two knockouts for voice/data/audio/video.	Provision of building power source is the responsibility of the customer. A hardwire connection or plug-in receptacle should be centered under one or both Peer table leg, depending on the module type specified, within the 2-1/2" x 11" opening.

	Product Number	Depth	Width	Height	Basic Price
Peer • Under-Table Power Module	**AI3UP-P**	3	12	3	$741
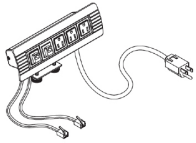

(shown with cord and
three-prong plug)

Under-table power module is anodized aluminum and includes three power receptacles and two voice/data knockouts
All tables except tables with cutouts for European power include inserts to accept an under-table power module in left, center and/or right positions
Under-table power module is available with cord and three-prong plug, hardwired, or hardwired for use in Chicago
Add upcharge shown on option page for hardwired and Chicago modules

Note: accepts two Pivot 25 power modules from Office Electrics. These power modules are not supplied by Geiger, but can be purchased from Office Electrics.
Please go to http://www.oeelectrics.com/en/pivot for details.

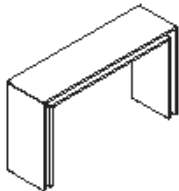

Specify

Module (for powered tables only)
Laminate

AI3P tables include two flip-up tabletop power modules; modules are anodized aluminum.
See Module Types option page for option pricing, power module configurations and wiring options.
All tables except tables with cutouts for European power include inserts to accept an under-table power module in left, center and/or right positions; specify separately.
Inside width clearance is total table width less 9 1/8". Height under table is 37".
