Geiger is excused from further performance of its obligations for the duration of a force majeure cause.

### Changes and Cancellation

Geiger's acceptance of an order is final and binding and an order may not be changed or canceled without Geiger's written consent.

## Upholstery • COM/COL

### Seating COM/COL Procedures

Geiger accepts COM and COL for application on its products. However, Geiger does not warrant the application, suitability, or performance of those materials. Geiger reserves the right to reject any COM or COL that it considers unsuitable. Geiger will notify Customer of any apparent defects in Customer's materials before manufacture.

Use Basic Price for seating upholstered in Customer's Own Material (COM). Add COL price to Basic Price for seating upholstered in Customer's Own Leather (COL).

Express seating orders that include COM or COL are scheduled at Express leadtime when Geiger receives all the materials on the order. Geiger will split ship COM/COL orders only if Customer notifies Geiger in writing that this is required.

Questions regarding COM procedures should be directed to Geiger Customer Care at 800.456.6452 or Herman Miller COM Department at 616.654.3400.

#### Testing and Approval

All Customer's Own Material and Customer's Own Leather requires testing and approval prior to order submission. Failure to obtain approval will result in delayed processing and scheduling of the order.

Step 1. Herman Miller dealers should request a COM test number through Omni. Customers and dealers without Omni access should contact Geiger Customer Care at 800.456.6452 for a test number.

Step 2. Send one memo-sized sample tagged with the test number to the below address. Saiba lounge seating requires additional fabric for testing in addition to memo-sized sample. See product page for details.

Geiger North Carolina  
218 Cline Park Drive  
Hildebran, NC 28637  
Attn: COM

Step 3. Within four business days of receipt of the samples you will be contacted by Geiger Customer Care or the Herman Miller COM Department with testing results. If approved, you will be given a four-digit COM number for the fabric, and yardage requirements will be confirmed.

The COM number is specific to each fabric and indicates the supplier name, fabric style name, color and applied direction of the fabric. It must be shown on the purchase order and on the COM and COL tagging when shipped to Geiger.

#### Tagging and Shipment

If an order is to include materials supplied by the Customer, Customer must ship materials to Geiger at Customer's own expense. In order to match the appropriate material with the Customer's order, all COM and COL must be tagged as follows:

COM/COL No. \_\_\_\_\_  
Dealer Name \_\_\_\_\_  
Customer Name \_\_\_\_\_  
Dealer P.O. No. \_\_\_\_\_  
Geiger Order No. \_\_\_\_\_  
Product Item No. \_\_\_\_\_

#### For all seating:

Geiger Furniture  
647 Hopewell Road, Suite C  
Morganton, NC 28655  
Attn: COM Dept

828.324.6500

Geiger is not responsible for delays caused by fabric not correctly marked or shipped to the wrong location. Freight charges to ship COM from an incorrect location to Geiger may be charged to the Customer.

### COM/COL Requirements

Yardages listed for COM are based on 54" wide fabric, with no repeat. Fabrics which have a repeat that must be matched, or are less than 54" wide, require more yardage and the following chart should be used for determining COM yardage requirements. For fabric with both horizontal and vertical repeats, add the horizontal and vertical repeat inches together. Use the total number of repeat inches to determine the additional fabric needed.

Fabric Width	Plain Fabric	2"- 10" Repeat	11"- 20" Repeat	21"- 25" Repeat	26"- 30" Repeat
54"	0%	10%	15%	20%	25%
51" - 53"	15%	20%	25%	30%	35%
48" - 50"	30%	35%	40%	45%	50%
45" - 47"	45%	50%	55%	60%	65%
36" - 44"	60%	65%	70%	75%	80%

COL requirements are shown in square feet and figured on hides that are 55 square feet or larger. On smaller hides, add 15% to the COL requirements. Hides other than cowhide leather cannot be accepted.
