Sled™ Base Storage

DESIGNED BY WARD BENNETT, 1963. REINTRODUCED IN 2004

Sled Base Storage is based on an original 1960s Ward Bennett design. Geiger enlisted former Bennett protégé Timothy deFiebre to update the mechanisms and material options 40 years later. Dozens of configurations are available, with units that include hinged doors, box drawers, and file drawers combining in elegant grids to form single-unit pedestals to four-unit credenzas.
